Unit 5-31   Polygon Game

The above letters can be used to make a list word and other words.
See the game rules and hints below.

Score: 8 words average, 11 good, 13 very good, 15 excellent. (20)

Rules:
Easier challenge: Using the given letters no more than once, make as many words as possible of **four** or more letters.
For a more difficult challenge: Use the given letters no more than once, make as many words as possible, of **four** or more letters, always including the central letter '**D**'. Capitalised words (proper nouns), plurals, conjugated verbs (past tense e.g., 'hide' not 'hides'), adverbs ending in LY, comparatives and superlatives (adjectives e.g., safer, safest) are disallowed.
General rule:
Do not use acronyms, contractions, rude words or slang.

Use of your dictionary to check or find words.

Hints for solving:
* Look for beginnings, such as UN- or SUB-, and endings, such as -ER or -ISM. Look for blends, such as ST, PR or ND.
* Write the letters in a different order; you may spot something different.
* Don't forget to look for words that begin with a vowel.
* When you find a word, try reading it backwards, to see if it suggests another word.
* When you find a word, try to find all the rearrangements of its letters that also form words.
* When you find a word, try substituting the remaining letters into it.
